

# NOTICE

## SPAY NEUTER ASSISTANCE PROGRAM (SNAP) APPLICATIONS ARE NO LONGER AVAILABLE

Maricopa County Animal Care and Control is unable to provide SNAP applications this month.

As a result of reduction in funding (SNAP is funded strictly by donations), it will be necessary to make some adjustments to our program. These adjustments will likely occur within the next couple of months.

We ask for your patience while we sort the program and its funding out.

You can help by making a donation to [www.azfaccs.org](http://www.azfaccs.org)  
You can directly save the lives of animals by supporting this program!
